

High Corrosion Resistance Solar Roof Mounting Systems , Solar Rail With Easy Installation

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: HT
- Certification: CA , CE
- Model Number: HENTEC rail
- Application: buildings,commercial,industrial
- Temper: T5, T6 ,T66
- Surface Treatment: Mill Finished,Anodized, etc
- Material: Aluminum
- Alloy: 6063,6061
- Product Name: Aluminum Curtain Wall Profile

Product Specification

- Highlight: **solar roof mounting kits, aluminum frames for solar panels**

Product Description

High Corrosion Resistance Solar Roof Mounting Systems , Solar Rail , With Easy Installation

Manufacturing	15 Years' Experience	Ease of Installation
Our group has more than 15 years experience in manufacturing Aluminum and steel components and works strictly under ISO 9001 manufacturing standards with Quality always at the forefront of I Do Solar's manufacturing program.	At Solar Solutions, we believe we are well credentialed to be a voice of the industry. We are an integral component of the brilliance Group, with nearly 12years of service to Europe, America, South Africa which makes us the largest distribution and support network of this kind in the country.	Understanding that the most important part of solar pv solar installations is 'time', all of our products are carefully designed with fast installation always in mind. Time is money and with years of experience in dealing with solar installers we understands just how important it is to have a safe and reliable system that can be installed quickly and efficiently

Product Description:

Features:	<ul style="list-style-type: none"> High-corrosion resistance Easy installation Wide application Strong structure Prompt delivery OEM and ODM services are provided Well packaged High-durability Stand up extreme weather Avoid welding and cut on the spot
Solar mounts from art sign solar are:	Delivered on time and on budget
	Engineered to provide clean, affordable electricity overdecades of silent, reliable operating
	Professionally warranted and managed to keep your investmentfinely tuned
	Installed on the ground or roof-mounted all over the World

Hentec Industry Co.,Ltd

Hentec Industry Co.,Ltd

Competitive Advantage:

1. Easy installation
2. Wide application
3. High quality solar clamps
4. Fast Delivery
5. Customized designed offer

FAQ For Saving Your Precious Time!
